SUMMARY

Results-driven Full-Stack Web Developer with a specialization in creating dynamic and engaging user interfaces using React and comprehensive backend expertise in Node.js. Proven ability to design and implement scalable, secure, and efficient web applications. Adept at collaborating with cross-functional teams to deliver high-quality solutions. Passionate about staying current with industry trends and adopting best practices.

TECHNICAL SKILLS

Front-End

- React.js
- JavaScript (ES6+)
- HTML5 and CSS3
- Responsive Design

Back-End

- Node.js
- Express.js
- SQL (MySQL, PostgreSQL)
- NoSQL (MongoDB)

APIs and Services

- RESTful API Design
- Authentication and Authorization (OAuth, JWT)

Tools and Practices

- Git (Version Control)
- Webpack and Build Tools
- Continuous Integration/Continuous Deployment (CI/CD)
- Docker

Database Management

- Query Optimization
- Database Migrations
- Transactions

Security

- Input Validation
- Encryption
- Vulnerability Mitigation

Scalability

- Load Balancing
- Performance Optimization

Other

- Test-Driven Development (TDD)
- Responsive Design

EXPERIENCE

Alusoft Technologies Ltd, Ibadan, Oyo, Nigeria- *Full-stack Web Developer*
JANUARY 2022 - PRESENT

- As a full stack developer, working as the development team of the company, I have worked on some projects where I have vast knowledge of some programming languages such as Javascript, PHP, and Laravel.
- My contributions to the development of scalable and customized software solutions.
- Created and designed some customized websites which give easy access to the modifications of the various websites without tampering with the code base.
- Created some re-usable website templates with all perfect functionalities.
- Led front-end development using React, creating intuitive user interfaces resulting in a 20% increase in user engagement.
- Implemented backend solutions in Node.js, ensuring efficient API functionality for seamless data exchange between server and client.
- Collaborated with the UX/UI design team to translate wireframes into responsive and visually appealing web applications.

- Conducted code reviews and provided mentorship to junior developers, fostering a collaborative and knowledge-sharing environment.

EDUCATION

National Open University of Nigeria *- B.Sc Computer Science*

APRIL 2021 - SEPTEMBER 2026

CERTIFICATIONS

- React Developer Certification | Alusoft Technologies Ltd | 2021
- Node.js Fundamentals | Alusoft Technologies Ltd | 2021
- JavaScript Fundamentals | Alusoft Technologies Ltd | 2021

PROJECTS

Inventory Management System

- Utilized HTML, CSS3, Bootstrap, JavaScript, Express.js, Node.js, and MySQL.
- Developed a comprehensive system for managing inventory, optimizing processes for efficiency.

E-commerce Platform

- Implemented with Express.js, Node.js, and JavaScript.
- Having a Flutter UI as the front-end.
- Created a robust e-commerce platform, focusing on user-friendly features and secure transactions.

Editable Website with Laravel

- Developed a fully functional website with Laravel, encompassing both front-end and back-end functionalities.
- Ensured seamless editing capabilities for content updates, emphasizing a smooth user experience.
- Utilized HTML, CSS3, Bootstrap, PHP, Laravel and MYSQL.

ADDITIONAL INFORMATION

- Excellent problem-solving and debugging skills.
- Strong communication and collaboration abilities within a team environment.
- Commitment to continuous learning and professional development.
